Sample Group Commissioning Prayer for Church

Loving God,

We praise you and thank you for the gifts of these servants (you may choose to insert their names here) that you send on behalf of our community to serve in the country of Guatemala to build a home for a family in need. As they go, remind them that they are your hands, feet, and heart to all those they encounter on their journey. Bless them and the work that they will be doing so it might be a joyful witness of your love in action in our world. Bless their families who so generously share them with the world so that your message of love and grace might be heard by others. We ask you to help our community by holding them in prayer as they serve as missionaries in our world. We thank you for a community that supports the amazing ministry that they will be doing. Be with these servants and guide them as serve. AMEN.

It is suggested you bring the following:

- 1 or 2 pairs of long pants for cooler nights in Antigua
- 2 pairs of comfortable shoes
- 1 or 2 nice outfits for evening activities and R&R days
- Anti-itch cream
- Bug repellent (DEET can melt items in luggage so pack carefully).
- Camera
- Diarrhea medicine (you might ask your personal physician for and bring Cipro or other antibiotic.)

*Make two copies of your passport, one for your luggage and one to leave at home. If it expires within six months of the trip, please get it renewed as soon as possible. In addition, you might take a picture of your passport to have on your phone. A valid U.S. passport is required for all U.S. citizens, regardless of age, to enter Guatemala and depart Guatemala for return to the U.S. A U.S. resident of another country should bring their resident visa and paperwork. Also, please check with the appropriate Embassies on other requirements. While in Guatemala, U.S. citizens should always carry a photocopy of their passports with them. HIM staff will offer to collect original passports for safekeeping in a locked safe during the work week.

Other Optional Items:

- Non-perishable snacks
- If you like sweetened, sugar-free beverages, bring individual-size Crystal Light or Gatorade packets to add to bottled water.
- Plan on carrying your camera or phone with you at all times in a fanny pack, back pack or pocket.
- Personal facial cleaning cloths or wipes
- Toilet paper or tissue packets (for travel and worksite use; housing has toilet paper)
- A 3 prong to 2 prong adaptor for outlets. Most outlets are only 2-prong. (They have same electrical outlets as U.S.)

Helpful Packing Tips

Leave at Home:

- Valuable jewelry, watches, flashy cameras, or computer equipment. Our campuses are safe, but you should never leave anything of value unattended outside our campus.
- Marijuana and other drugs are still illegal in the country of Guatemala.

Packing and Luggage

Pack your most important items (including medications) and a couple of clothing changes in your carry-on luggage. Most airlines now charge for the first and second checked suitcases. Please check with your airlines regarding specific fees. If Hearts In Motion requires you to check a second piece of luggage or supplies for the trip, we will cover the cost. A receipt will need to be provided.

United, American, Delta, and other Airlines will usually permit one carry-on bag plus one personal item (briefcase, purse, day planner, small laptop computer, camera case, I-Pad or similar-sized personal entertainment item) per passenger to be carried on the aircraft under general ticket fees. Please check with your provider regarding possibly more stringent requirements under their "basic" economy plan. The carry-on bag's maximum combined linear measurement (L + W + H) is 51 inches (130 cm) and no more than 50 lb. Laptop computers and I-Pads must be removed from their cases and placed on the baggage belt at the security checkpoint.

Airport security requires that all liquid containers (including lip gloss, Vaseline, nose spray, eye drops, lotions, etc.) in carry-on baggage be placed in a quart-size Ziploc bag and that none of the liquid containers be more than 3.4 oz. This Ziploc bag of liquid containers will go through the x-ray outside your carry-on, so be ready to show it to security personnel. If you have liquid containers larger than 3.4 oz. or more bottles that can be placed in a quart-size bag, put them in your checked luggage.

Note: No knives of any size or material are allowed past the security checkpoint (including, but not limited to, pocket knives, folding or retractable blades regardless of blade length or composition, box cutters, X-Acto knives, scissors with a pointed tip, straight razors, Leatherman or Swiss Army Knives). If you want to bring special tools or knives to use during the construction project, for example, pack them in your checked luggage.

Tips on Bringing Cash

The dollar exchange is around 7.5 quetzals (Q's) to \$1 U.S.

Shopping is very reasonable in Antigua, and you can bring up to \$800 worth of purchases to the U.S. without paying any duty/tax.

The easiest way to exchange money is at an ATM.

Dollars *are usually* accepted most places in Antigua; however, bills must be in good shape, with no tears or stains.

Traveler's checks are not useful other than at the bank or Exchange at the airport.

Credit cards can be used in ATMs, most stores and restaurants in Antigua.

Use quetzals for the inexpensive markets, small shops, etc.

Policy for Groups in Antigua

At Hearts in Motion, we strive to keep all of our staff and volunteers safe. While Antigua is generally a safe, touristy town, there are a few things that we ask of all volunteers to help keep them safe while they are enjoying this historic town. To do so, we ask that all volunteers take the following safety measures:

1. Please only travel in groups of three or more people where at least one of the people in the group is a man.
2. Please be aware of your surroundings at all times.
3. If you are wearing a backpack or carrying a purse, do so on your front. Do NOT wear them on your back and try to keep a hand on them especially in crowds. Also, keep one hand free in case you need to place your hand over it in crowds.
4. Keep your wallet and phones in your front pockets.
5. If you use took tooks to get around town please be aware of your surroundings.
6. When going out at night, do not go to any “after hours” or house parties.
7. Those who are under the age of 21 are not allowed to drink. For those who are of age, please use common sense when it comes to your alcohol consumption.
8. Please take a card with the name of the hotel you are staying at before leaving so you will know the name should you have trouble finding your way back.
9. Please be aware that the culture you are in is very heavily male dominated. We strongly encourage modesty in your dress.
10. Should you choose to hike up to the cross (Cerro de la Cruz) we recommend that you do it earlier in the day and that you stay on the main path up to the cross (do not make your own trail through the woods or take a side path.)

Should an incident occur while you are out in Antigua, please take the following actions:

1. Get yourself and your group somewhere safe.
2. If the incident occurred at a bar or other establishment, please notify the bar tender, owner, bouncer, immediately of what happened.

Joined together with your church group, we are committed to providing a safe environment for all of God’s children. In order to do so, we require that a national (or multi-state) criminal background check and sex offender registry check be completed (not a state or county check) within the last three years.
