Thank you for considering sponsorship. Our volunteers find the week to be an incredible life changing experience. Trip costs for lodging, meals, transportation and related program expenses are approximately \$1200 plus airfare. Many of our volunteers are in need of sponsors to help offset the costs. Financial contributions can be made at www.heartsinmotion.org then clicking SERVE and Make a Payment. If you prefer to send a check to our headquarters, please make it payable to Hearts In Motion with the trip date and participant's name noted in the memo. Please also include your name and email address so we can send a tax receipt.

You too can make a huge impact by sponsoring a volunteer. We thank you for being part of the mission. Should you need any further information, please contact our office.
